

**POSITION ANNOUNCEMENT**  
Subject to Available Funding

**DATE:** July 20, 2017  
**TITLE/RANK:** Full, Associate or Assistant Professor of Mathematics Education  
**DEPARTMENT:** Mathematical Sciences

**DESCRIPTION** Applicants must have a demonstrated commitment to research in mathematics education, including research that will allow for the generation of competitive grant proposals, as well as a history of excellence in teaching. To build on significant strengths and interdisciplinary connections at Montclair State University, we seek outstanding applicants who can work across disciplines as part of a growing initiative to pursue critical issues in Mathematics and STEM Education at any of the primary, secondary, and tertiary levels. Faculty filling this position will be expected to teach and supervise doctoral students in the growing Ph.D. in Mathematics Education; teach and mentor students in the M.S. Mathematics with a concentration in Mathematics Education and the M.A. in Teaching Middle Grades Mathematics; and teach undergraduate and graduate mathematics content and pedagogy courses for elementary, middle and high school teaching. Faculty are expected to support and advance existing departmental programs at the undergraduate and graduate levels and to participate in departmental, university and professional activities.

**QUALIFICATIONS** A Doctorate in Mathematics Education with a strong background in mathematics is required. Preferred qualifications include a Master's degree in Mathematics and mathematics teaching experience at the K-12 level.

**SALARY RANGE:** Salary is dependent upon qualifications

**STARTING DATE:** September 1, 2018

**APPLICATION** Applicants should submit a cover letter, CV, three letters of recommendation, and statements of professional goals, research interests, and teaching philosophy to [www.mathjobs.org/jobs/jobs/10604](http://www.mathjobs.org/jobs/jobs/10604). Questions or requests for additional information should be sent to the Chairperson of the hiring committee by contacting [math-search@montclair.edu](mailto:math-search@montclair.edu). V-F26

**APPLY BY** Screening of applications will begin November 20, 2017 and will continue until the position is filled. Montclair State University is an Equal Opportunity/Affirmative Action Employer. Qualified women, minorities, and individuals with disabilities are encouraged to apply. Subject to available funding.

**Organizational Marketing Statement:**

With a proud history and a vibrant future, Montclair State University is one of New Jersey's most diverse and dynamic institutions of higher education.

Located 14 miles west of New York City on a 246-acre campus which boasts modern, state-of-the-art facilities complemented by green spaces, public plazas, and early twentieth-century architecture, the University offers a comprehensive undergraduate curriculum with a global focus; a broad variety of superior graduate programs through the doctoral level; and a talented and diverse faculty and student body.

The University's six colleges and schools offer more than 300 undergraduate and graduate majors, minors, concentrations, and certificate programs, and with more than 120 student organizations and 17 varsity sports for men and women, Montclair State offers students the total college experience.

**EEO/AA Statement:**

Montclair State University is an Equal Opportunity/Affirmative Action institution with a strong commitment to diversity. Additional information can be found on the MSU website at [www.montclair.edu](http://www.montclair.edu).
