

FACULTY VACANCY ANNOUNCEMENT

The Department of Curriculum and Teaching in Hunter College's School of Education seeks candidates for a tenure track, open rank Mathematics Education effective August 2018.

Duties associated with this position include: 1) engaging in research, scholarly writing and grant work, 2) teaching graduate and undergraduate courses in our Childhood Education Programs, 3) serving on program, department, school, college and university committees, where appropriate, and 4) student advisement.

QUALIFICATIONS

Ph.D. degree or equivalent Doctoral Degree in Mathematics Education or in a related field. Evidence of successful teaching and demonstrated record of scholarship.

The ideal candidate will have a strong research agenda that relates to important questions about mathematics education, learning, teaching, or mathematics teacher education. Candidates with 3+ years of teaching experience in K-6 grades are highly desirable. The ideal candidate will also be able to teach graduate and undergraduate courses in mathematics education, as well as engaging in collaboration with local schools. As a public urban institution, our curriculum, scholarship and school partnerships reflect a commitment to equity, advocacy and educating a diverse student population. We value candidates who have a demonstrated commitment to work in multicultural and urban settings

COMPENSATION

CUNY offers a competitive compensation and benefits package to its faculty, covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development. Compensation for this position falls within the following salary range (Salary subject to new contract implementation):

Open Rank
