

The Award for Excellence in Mathematics Education

The purpose of this award is to recognize work of lasting significance and impact in advancing mathematics education as an interdisciplinary field, linking mathematics, educational studies and practice. In particular, the award recognizes major contributions to new knowledge and scholarship, and as well, exemplary contributions in promoting interdisciplinary collaboration in mathematics education.

This annual award includes a commemorative plaque and a cash prize (\$3000). A recipient will be selected annually and will be invited to present a keynote address, with all travel expenses covered, at a workshop dedicated to advancing mathematics education. Moreover, subject to the availability of the recipient, a housing allowance and a \$5000 stipend will also be offered to the recipient to spend two weeks in residence at Texas A&M University interacting with students and faculty in seminars and informal mentoring sessions.
