POSITION ADVERTISEMENT

Grand Valley State University, an affirmative action equal opportunity institution in Allendale, Michigan, is accepting applications for one position at the rank of Assistant Professor of Mathematics Education in the Department of Mathematics, with employment to begin on August 6, 2022.

Qualifications for the position include: doctorate in mathematics education or a related field expected by August 2022 (ABD candidates will be considered for a 2-year contract with provision that the doctorate be earned by December 2023); evidence of critical, reflective thinking about the teaching and learning of mathematics or teacher preparation; commitment to contribute to the Pedagogical Content Knowledge for Elementary Teaching (PCKET*) program; commitment to maintaining a productive program of scholarship in mathematics education; and a demonstrated commitment to diversity, equity, inclusion and access.

Interested candidates can find more information and apply online at www.jobs.gvsu.edu. Review of applications begins Friday, November 1, 2021, and will continue until the position is filled.

* The PCKET program is also hiring faculty in social studies and in language arts; those advertisements are available at the GVSU jobs website.
